My favourite book

I read a lot of books but **my favourite book** is "The Wizard and the dragon". **I like this book** because when I start reading, I can't stop. **The author** is M. Richton. She is a very descriptive author. I like how she describes every character **so you feel like you know them**.

I like when Jimmy is in school with his friends because **I feel like I am** at school with them. **I like to read** about his magical adventures and the problems he has to solve. **The book is like a mystery**.

The best part is the end because **you understand** how all the pieces of the puzzle fit together. The end **usually surprises** me because something always happens that **I didn't expect**.
